

THE SIMPLE AND HIGHLY EFFECTIVE COOLING SYSTEM

HOUSING SYSTEMS

FEEDING SYSTEMS

ENVIRONMENT CONTROL

FEED STORAGE

SLURRY SYSTEMS

Unique features. And only from Big Dutchman.

RainMaker. The only pad cooling system for poultry houses featuring an innovative frame system with open top profile and pad retainer.

RainMaker is the simple and highly effective pad cooling system from Big Dutchman featuring an innovative frame system:

- snap-in pad retainers allowing for simple and quick pad replacement
- simple installation, supervision and maintenance
- open system – water supply visible, no nesting for rodents
- new frame system with one-piece top profile
- top profile with perforated pipe and easily removable water deflector for ideal water distribution
- for cellulose or plastic pads
- integrated high-capacity water reservoir for excess water collection and recycling
