FEED STORAGE

FloorSystems.

Top hygiene for farrowing and rearing pens.

Big Dutchman's new floor systems meet our customers' high demands for hygienic, productivity-enhancing and animal-friendly housing. Our extensive product range for floor systems includes the following components:

- slats, made of high-quality plastic, available in different sizes
- plastic slats with integrated rubber mat
- cast iron slats with different solid-to-void ratios
- heating plates made of concrete polymer or plastic
- bearers made of galvanized steel, stainless steel or GRP

Due to the great flexibility of our modular system, it is possible to create any possible pen design and size.
