

Relax: the group laying nest for broiler breeders

Easier for you, easier for the birds.

For modern and successful broiler breeder management, Big Dutchman offers tailor-made concepts, the required expertise and the necessary equipment. Our tried and tested **Relax group laying nest** with a divided roof and a nest locking mechanism is just one example.

- | High nest acceptance due to optimum entrance height
- | Rapid and easy monitoring of the nest and the egg belt with the help of the divided and very light nest roof
- | Optimum hygiene and cleaning owing to the clever, wood-free nest design
- | Reduced egg contact thanks to an egg belt with triangular holes
- | Highest egg quality as a result of short rolling-off distances and gentle transport of the eggs
