Unique Features. And only from Big Dutchman.

**Fluxx Breeder. The world's first feed pan with
44 feeding window sizes. For all types of breeds.**

The brand new feed pan for broiler breeders – from rearing (single phase) to production.

- 16 “real” feeding places for ultimate uniformity and excellent productivity
- FO-grille with a total of 44 different feeding window sizes for all types of breeds
- perfect hygiene through hinged pan base with special openings
- patented 360° flooding feature and innovative spin-n-lock adjustment

By the way: **FluxxBreeder** is also available as pure rearing pan!
